Resources for Learning about Prem Rawat & Knowledge

“A simple and beautiful reality resides in the heart of every human being.” Prem Rawat

About Knowledge

Prem Rawat, also known by the honorary title Maharaji, teaches a practical way to connect with an inner experience. He calls this Knowledge and has been offering it to those who have a sincere interest, free of charge for more than 30 years.

Listening

By listening to Prem Rawat’s discourses you can deepen your own understanding of his message and decide if Knowledge is something you wish to pursue. It is suggested that people who would like to receive the techniques of Knowledge take their time and learn at their own pace.

Video and audio tapes from Prem Rawat’s world wide addresses are available, allowing you to explore what is offered.

The Mail Order Library

The Mail Order Library lends videos, audio tapes and CDs, including those from recent events and those seen as satellite broadcasts. It provides resources to introduce Prem Rawat and Knowledge, as well as resources for preparing for and enjoying Knowledge.

If you are a first time borrower, you are requested to complete the attached Registration and Order Form and return it to the Mail Order Library. Selected resources are listed on the back of this brochure for your initial order. You will receive a complete list of resources with your first delivery.
